Tuition & Fee Schedule for 2018-2019

Enrollment fees for new and returning students are due at the time of enrollment to reserve your child's space. These fees are non-refundable. We rely on the contract to determine staffing and budget requirements for the upcoming year. Once signed, we require that you respect the contract as a binding agreement between the family and the school.

Current families may take advantage of a last year's enrollment rate (see below) if the re-enrollment contract and deposit is submitted within three weeks. This opportunity ends February 23, 2018.

Families new to Grace Episcopal Day School may take advantage of the Enrollment Fees for 2017-2018 if the enrollment contract and deposit are received by the school within 2 weeks of acceptance offer.

- Tuition is eleven monthly payments due June 2018 through April 2019.
- Families with two or more children attending Grace Episcopal Day School for the entire school year will receive a sibling discount for the second and any subsequent children who attend. This discount is applied against the last tuition payment of the school year (April, 2019). A second child enrolled will receive a \$200 discount while the third and any additional children enrolled will each receive a \$250 discount, again to be applied in April.
- Families who have been awarded financial aid are not eligible to receive the sibling discount because the number of siblings attending will be included in the school's consideration of the financial assistance the family receives.
- All families will be required to enroll with Smart Tuition for the processing and collection of tuition. There is an annual \$50.00 per family charge, assessed by Smart Tuition, for this service.
