

Your gift, at any level, makes a direct impact on the education of our children. Ideally, each family could give \$450 to meet our annual fund goal. Understanding that each family context is unique, we encourage you to make a meaningful gift in response to your love for the school. "We initially chose Grace as a loving preschool when our oldest was three. When the time came to begin kindergarten, we couldn't imagine leaving. As public school attendees ourselves, we hadn't planned on an independent

education for our children; we just absolutely fell in love with Grace. We have been so blessed by teachers who love our kids enough to push them academically, all while helping them grow spiritually and further develop their character. As someone who grew up attending church on Sundays, it has always amazed me how seamlessly Grace weaves God into every part of our children's lives. Rather than being segregated into a once-a-week experience, Grace students are able to learn to rely on God throughout their school day. This sort of foundation is irreplaceable. Even better, such a strong foundation is accompanied by rigorous academics. Small classroom sizes mean individual attention, and a child who excels is given the opportunity for further critical thinking and growth. This academic foundation has given our three children a love of learning and an excitement for their academic future. We are so grateful for the gifts of Grace for our children."

Why Your Participation Matters

Every member of the Grace Episcopal Day School community — parents, grandparents, faculty, staff, trustees, alumni, Church Vestry members, and friends of Grace – are asked to give. 100% participation in giving increases our position to procure grant funding and major gifts.

Your partnership is crucial in closing the gap between tuition income and actual operating expenses. Your gift will support continued excellence in academics, character education, arts enrichment, Christian education, and technology.
