

Grace Episcopal Day School Tuition & Fee Schedule for 2019/2020

Enrollment fees for new and returning students are due at the time of enrollment to reserve your child's space. These fees are non-refundable. We rely on the contract to determine staffing and budget requirements for the upcoming year. Once signed, we require that you respect the contract as a binding agreement between the family and the school.

Current families may take advantage of last year's enrollment rate (see below) if the re-enrollment contract and deposit are submitted within two weeks. This opportunity ends February 15, 2019.

Families new to Grace Episcopal Day School may take advantage of the Enrollment Fees for 2018/2019, if the enrollment contract and deposit are received by the school within two weeks of acceptance offer.

- Tuition is paid in 11 monthly payments starting May 2019 through March 2020. Monthly payments will be slightly higher if a student enrolls after May 2019.
- Families with two or more children attending Grace Episcopal Day School for the entire school year will receive a sibling discount for the second and any subsequent children who attend. This discount is applied against the last tuition payment of the school year (March 2020). A second child enrolled will receive a \$200 discount while the third and any additional children enrolled will each receive a \$250 discount, again to be applied in March.
- Families who have been awarded financial aid are not eligible to receive the sibling discount because the number of siblings attending will be included in the school's consideration of the financial assistance the family receives.
- All families will be required to enroll with Blackbaud Smart Tuition™ for the processing and collection of tuition. Blackbaud Smart Tuition™ will assess an annual fee of \$50.00, per family for this service that is included in the first month's tuition payment.
