Terms and Conditions of Enrollment

The Parent/Guardian recognizes that this enrollment contract is for the entire School year and agrees that the School may require the withdrawal of or dismissal of any student if, in the School's sole discretion, it concludes that such student's attitude, influence, progress, or behavior does not serve the best interests of the School. The undersigned Parent/Guardian also understands that a positive and constructive working relationship between the School and a student's parents (or guardian) is essential to the fulfillment of the School's mission, and agrees that the School may terminate enrollment or decline to re-enroll a student if the School concludes that the student's parents or guardians have engaged in conduct which is detrimental to the school or who do not abide by School policies. In the event the School expels a student, no part of the year's tuition will be refundable, and all payments due up to the date of expulsion, plus any remaining tuition balance are considered due.

Successful completion of the current academic year and recommendation of the School is required for re-enrollment of currently enrolled students, even after this contract is returned to the School. The School shall decide in its sole discretion whether a student has successfully completed the school year, and such determination may include non-academic considerations.

Withdrawal Policies

The Parent/Guardian understands that he/she is responsible for 100% of the tuition according to this Contract regardless of reason for or date of withdrawal.

Teacher employment and other significant commitments are made by the School based upon enrollment. Therefore, if a student is withdrawn from the School, full payment of tuition and fees for the entire school year shall be due and payable.

Financial hardship does not relieve the Parent/Guardian's obligation to fulfill the terms of this contract. However, should a family experience a substantial change of circumstances, the School recommends that you petition the Scholarship Committee for accommodation.

Additional Charges

The Parent/Guardian agrees to pay additional charges for enrollment in Blackbaud Smart Tuition™ [all families], After School Activity fees, late pick-up fees, lost/damaged books, overnight field trips, and insufficient funds fee.

Adjustments

The School reserves the right to make adjustments to the school calendar to complete an academic year, as necessary, either by cancelling or adding school days due to factors deemed in the best interest of the school, or to forces beyond its control. Such forces beyond the school's control include, but are not limited to, closures due to pandemic virus in the school or community, destruction of facilities due to fire, weather or other factors, other threats to the safety of students, national emergencies, and other issues that cause the school's Administration and/or Board to decide that a temporary closure is in the best interest of the school and/or students. Adjustments to the school calendar may include requiring students to make up missed days on planned breaks from school or by extending the school year into the summer months.

Unconditional Obligation

The Parent/Guardian acknowledges that unless enrollment is cancelled in writing prior to the cancellation deadlines stated in this contract, and if there are no withdrawal conditions as outlined above, the undersigned parents/guardians assume full legal and financial responsibility to pay tuition for the full academic year. The Parent/Guardian further agrees and understands that no refund or remission of tuition shall be made by the School for any reason whether due to absence, dismissal, school closure due to inclement weather or pandemic flu outbreak, acts of God, government action, terrorism, or epidemics, or withdrawal for disciplinary, academic, or personal reasons, and that upon dismissal or withdrawal, any remaining balance on the student's account becomes due and payable.

Disputes

When accounts are past due by thirty days, the School will begin collection proceedings and will deliver written notice to the undersigned that the accounts are past due and must be paid; such communication will include a deadline for the outstanding balance to be satisfied. An account two months past due will have all grades blocked for families and the students until the balance is paid or an agreement with the School's business office is met. If a past due account is not satisfied following the deadline contained in the written notice, then the School has the option to cease all education services, will deny admission to classes, and will withhold grades/transcripts/graduation privileges until any outstanding accounts have been paid in full. The School may withhold offering enrollment contracts or may rescind an enrollment contract for the next academic year to families with overdue accounts. In addition, the undersigned agrees to pay, to the extent permitted by law, the School's expenses of enforcement and collection of tuition and any additional charges incurred by the family of the School including, without limitation, attorney's fees and costs. If parents subpoena the school or seek to depose an employee, the costs associated with those activities will be billed to the parents.

Any and all disputes will be governed by the laws of the State of Florida.
