

Grace Episcopal Day School Technology Agreement

Acceptable Use Policy
Cell Phones and Other Electronics
Online Remote Learners in a Hybrid Learning Environment

2020 - 2021

Acceptable Use Policy

- ❖ The Internet shall not be used without teacher permission.
- ❖ The resources of the Internet shall be utilized with teacher supervision for educational purposes only on all school devices and personal devices.
- ❖ All students will have a G Suite for Education (Google) account in order to log in and access learning apps and assignments as needed.
- ❖ At the request of the teacher, students will install and/or use specific Google Apps and Chrome extensions needed to facilitate and supplement learning on their computer devices.
- ❖ In order to protect students' privacy and ensure biometrics data (like facial recognition) is not collected by Google and other third parties, students will not upload a photo of themselves or anyone else as their Google profile picture. Students may upload an appropriate profile picture approved by a teacher.
- ❖ Students' storage space is not private and should not be treated as such. The contents of storage space, such as files or communications, may be viewed at any time to ensure the safety and integrity of the work.
- ❖ General school rules for behavior and communications apply to all use of school related resources and personal devices. Students shall agree to support the acceptable use of the Internet resources and promote good digital citizenship. Any materials or communications that are pornographic, violent in nature, vulgar, inflammatory, disrespectful, or otherwise harassing are totally unacceptable and will be handled immediately.
- ❖ Students using personal devices in class will turn off message notifications, will not send messages, and will not send personal emails during the school day unless the teacher has given permission.
- ❖ Students will only use their email accounts with teacher permission. When using their school email accounts, students will not send or receive emails outside of the geds.net domain.
- ❖ Students will not rearrange, delete, add, or otherwise change any computer settings established on a school computer. General school rules for the care of school property will apply.
- ❖ Students will not damage computers, computer systems, or networks.
- ❖ Students will not post photos, videos, or information about others without consent.
- ❖ Students will not violate copyright laws, engage in plagiarism, trespass in another person's account, folders, work, or files.
- ❖ Students will not download files from the Internet onto a school computer without permission.
- ❖ Printing will be limited and will only be with teacher permission.
- ❖ Grace Episcopal Day School uses Internet filtering software. However, if inappropriate material appears on the screen, students will immediately

minimize the window and notify the supervising teacher(s) without creating a disruption in the classroom.

- ❖ During periods of remote learning, teachers may use teleconferencing software to conduct classroom discussions with their students. There might be instances where teachers will video record the classroom discussions so that their students (and parents) in the class can have access to them for playback at a later time.

Cell Phones and Other Electronics

Middle School students must leave their cell phones in the designated classroom space during school hours. Students may use cell phones with teacher approval only. Whenever cell phone use is permitted, students may not use them in any way that is harassing or disruptive to the educational environment, including making threats, using camera phones to take inappropriate photos or to video record classes, to send text messages to other students in class, or in ways that would otherwise violate a school rule.

Elementary students who bring cell phones to school must leave them powered off in their backpacks while on campus. Cell phones may not be out of backpacks during school hours or while attending Extended Day.

Students may not bring other electronics to school, including games, radios, walkie-talkies, etc. unless permitted during exceptional activities. Students who violate this policy will have their cell phones or electronics confiscated. Families will be required to come to the school office to pick up confiscated items. Students will also be subject to disciplinary procedures for violation of this policy. The school will not be responsible for loss, damage, or theft of personal electronic equipment.

Online Remote Learners in a Hybrid Learning Environment

In a hybrid learning environment where some students are present in the physical classroom and other students are accessing classes in real-time online from home, families of remote learners agree to the following.

Students

- ❖ Students will attend all classes as outlined by the child's teachers and Head of School.
- ❖ Students will meet all communicated deadlines for assignments, assessments, projects, and papers.
- ❖ Students will check in/meet with each of their teachers regularly, as outlined by the child's teachers and Head of School.

- ❖ Students will communicate with their teachers regularly and whenever they have a problem.

Parents

- ❖ Parents confirm that their child has access to a computer with an internet connection at home.
- ❖ Parents understand that by choosing the online remote learning option that their child will be participating in classes in real-time online with their teachers and fellow classmates.
- ❖ Parents will support their child's success in online remote learning by
 - Setting up a space conducive to learning and studying.
 - Supporting their child's progress.
 - Helping maintain their child's study schedule.
 - Encouraging their child to communicate with their teachers whenever he/she has a question or problem.

Families

- ❖ Families agree to protect the privacy of students by not recording and/or sharing instruction/classes during online remote learning via email, text, or any social media platform.
- ❖ Families agree to refrain from commenting on the behavior of any students physically in the classroom during online learning publicly or via email, text, or any social media platform.
- ❖ Families agree to refrain from commenting on a teacher's style or method of instruction publicly or via email, text, or any social media platform.

Failure to comply with the policies set forth in this agreement may result in termination of online access. Further action could be taken and is at the discretion of the administration.

Families commit to utilizing online real-time remote learning in lieu of campus instruction from August 12, 2020 through September 11, 2020. After September 11th, families may reassess. If family circumstances change prior to September 11th, they must submit an appeal to the school to return to campus instruction before September 11th.

Family Acknowledgement of Technology Agreement

Please sign and return this page to the administration.

I/We acknowledge receipt of an e-copy of the Technology Agreement and agree to abide by the policies/guidelines outlined in the Family Handbook.
