
A LITTLE ABOUT GRACE

Grace Episcopal Day School is a Christian based, family-oriented educational community dedicated to maximizing each student's potential. Grace Episcopal Day School was established in 1950 and today the student body at Grace includes preschool through the eighth grade. Grace integrates varied teaching methods with traditional approaches to inspire learning and build confidence. At Grace, we celebrate the richness of a life in a Christ-centered community, the seriousness of academic achievement, and the joys of childhood. Grace is accredited by the Florida Council of Independent Schools (FCIS) and the National Association of Episcopal Schools (NAES).

WHY WE NEED YOU

We are asking for your support as a Grace Episcopal Day School Community Partner. Last year over 40 local businesses joined together to invest in Grace. Your investment in Grace provides: enhanced student learning, exposure to cutting-edge technology, visual and fine arts classes for all students, professional development opportunities for faculty and staff, a commitment to character education in every classroom, and financial aid for families that may not otherwise be able to afford full tuition payments. Help us create the leaders of tomorrow by partnering with us today.
